COLLAPSECON is the next evolution of shipping containers - a fully automated collapsible container that will improve operational efficiencies, deliver economic savings and reduce ...

Discover how innovative oil containers are transforming oil storage with advanced design, eco-friendly materials, and smart technology. Learn about the evolution, benefits, and ...

The latest innovation in cargo transport: The CN Cargo 20? foldable cargo container premiered at the Intermodal Europe ...

The latest innovation in cargo transport: The CN Cargo 20? foldable cargo container premiered at the Intermodal Europe 2022 in Amsterdam.

Whether on offshore platforms, for fracking trucks, mobile drilling rigs, or FPSO units, our container solutions are designed for optimal use under demanding conditions.

Discover how innovative oil containers are transforming oil storage with advanced design, eco-friendly materials, and smart ...

Advanced Container provides rugged, secure shipping containers for the oil and gas industry. Ideal for field storage, transport, and custom site solutions. Get reliable performance--request ...

At Mouritsen, we have a range of purpose-built offshore containers that are used in the offshore industry for transportation and storage of equipment and materials. They are ...

DNV containers are built to meet the highest safety standards, ensuring they can withstand the rigors of

offshore use. They are designed with reinforced structures, anti-slip ...

COLLAPSECON is the next evolution of shipping containers - a fully automated collapsible container that will improve operational efficiencies, ...

DNV containers are built to meet the highest safety standards, ensuring they can withstand the rigors of offshore use. They are designed ...

The Canflex Collapsible Modular Frame Tanks (Fast Tanks) are foldable, quick-setup containment solutions designed for oil spill response, environmental operations, and emergency fluid storage.

Compact Container Systems (CCS) has launched the SeaFold HC 40" container, the world's first five-in-one, foldable shipping ...

At Mouritsen, we have a range of purpose-built offshore containers that are used in the offshore industry for transportation and ...

Compact Container Systems (CCS) has launched the SeaFold HC 40" container, the world's first five-in-one, foldable shipping container to improve operating inefficiencies, ...

Explore how hybrid container systems combine storage and renewable energy for sustainable, modular solutions. Learn about benefits, applications, and future trends.
