The subreddit for the capital city of South Africa. News, events, people and anything else about and around Pretoria.

Search all the ongoing (work-in-progress) battery energy storage system (BESS) projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Gabon with our comprehensive ...

What are some activities around Pretoria East? I (45M) recently moved to Pretoria east, although I've lived in Pretoria for a while. My daughter (15F) started living with me when I moved here, ...

The whole of pretoria east and the old east (brooklyn, menlopark, Lynnwood, garsfontein, la montagne, newlands, silver Lakes, equestria, new mucelneuk- don't know how ...

Located in the Dedza district of Malawi near the town of Golomoti, the 20MWac solar PV and 5MW/10MWh energy storage project is set to become a leading project in sub-Saharan Africa ...

With electricity prices jumping 18% since January 2024, more Pretoria residents are asking: Can solar systems realistically power my entire home? The answer might surprise you ...

All good, Pretoria is a higher income area so it's fairly safe, just when you do get here ask where to not go like townships or squatta camps. Otherwise Pretoria is actually quite nice

The base serves as a living lab for next-gen storage solutions. They're currently testing AI-driven predictive maintenance models that could extend battery lifespan by up to 15 years.

With an installed solar capacity of 540 MW of PV, and a battery storage capacity of 225MW/1,140MWh, the plant is designed to deliver 150 MW of dispatchable power from 5 am ...

Pretoria proper as you would call it would be half white half black. I use the proper because the areas near to town are suburbs and mostly white. The whole of Tshwane would however be ...

Why is energy storage important in South Africa? Experts say that widespread energy storage is vital to expanding the reach of renewables and speeding the transition to a carbon-free power ...

Pretoria is big on hiking trails, and if you aren't scared to drive 45 mins, you are in range of magaliesberg, hartbeespoort, Cullinan, Muldersdrift, are all excellent places to do ...

Pretoria is the seat of our government institutions, parliamentary offices including that of the president and corruption is rampant. So when you consider that crimes of fraud, ...

From personal experience, parking at Menlyn Maine (the shopping centre directly across from Time Square) is waaay less chaotic than parking in the Time Square parking. ...

This first grid-scale private sector energy storage programme in South Africa was launched on 7 March 2023, and is a critical measure to assist in increasing the available grid capacity in the ...

From residential load shedding solutions to industrial-scale energy management, modern storage inverters are rewriting Pretoria's power rules. By combining solar generation with smart ...
