Designed with flexibility, scalability, and technological sophistication, the LunaVault is a model of efficiency for residential, industrial, and critical infrastructure applications.

Available with either 1-side or 2-side racking, this variant of the Hacon Solar Container is fully customizable, location-independent, and ready to use with a plug & play design.

Designed with flexibility, scalability, and technological sophistication, the LunaVault is a model of efficiency for residential, ...

This user-friendly Starter Solar System Kit simplifies off-grid setups with a 12V20Ah LiFePO4 battery (256Wh backup), 100W ExpertPower solar panels, and a 10A PWM controller for ...

RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini ...

LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar ...

This user-friendly Starter Solar System Kit simplifies off-grid setups with a 12V20Ah LiFePO4 battery (256Wh backup), 100W ExpertPower solar ...

Increas your energy capabilities with our compact and powerful 20ft Solar Energy Container construction. Designed to be strong and mobile, it offers 140kWh per day, thanks to its 60 m²; ...

This user-friendly Starter Solar System Kit simplifies off-grid setups with a 12V20Ah LiFePO4 battery (256Wh backup), 100W ExpertPower solar panels, and a 20A MPPT controller for ...

This simple kit is a clean energy, upgradeable, and long-term solar system. Depending on your unique application, this system can both help reduce energy costs when ...

Cool-Watt® is a solar power plant designed as a 20 feet maritime container, pre-cabled and pre-tested so that it can be deployed in less than 1 hour without civil engineering or ...

A German logistics company installed solar panels on 50 chilled containers and reduced their carbon footprint by 62%. When a typhoon hit the Philippines, a UN disaster ...
