---

Solar panels, safety cable, poly pipe, and wire power cable are required for installation and operation and need to be purchased separately. An MPPT controller is included and ...

4000w 70m3/h 6inch Large Flow Multistage DC Solar Powered Water Pump for Irrigation

Discover the Aquatec SWP-4000 Submersible Solar Water Pump, ideal for off-grid water supply, irrigation, livestock, and more. Made in the USA and FDA/NSF approved.

Mars Rock Technology was founded in 2006 and is a company specializing in the research and manufacturing of solar grid connected, energy storage systems, and intelligent ...

Power: 4000W / 5.5HP. Irrigation, high efficiency of increasing oxygen on aquaculture. - 1 x 4" Solar pump with 2m cable. - Solar panels. Outlet: 1.5". Pump Dia.: 4"; upper pump/4"; motor. ...

The Franklin Germany 5.5HP solar water pump delivers 5,000 liters per hour with a 255-meter head, powered by a 4000W motor and compatible with both 220V AC and 300V DC for heavy ...

TPN series solar water pump are mainly composed of permanent magnet brushless motors, pump body and mechanical seal. It adopts Semi-open impeller with a speed of 3000-3600rpm.

Discover the Aquatec SWP-4000 Submersible Solar Water Pump, ideal for ...

The SWP-4000 4" and SWP-6000 6" positive-displacement submersible deep well diaphragm pumps are constructed with high-grade materials ...

Aquatec SWP-4000 Pump is a submersible solar pump that can deliver up to 1.7 GPM @ 30 VDC.

Comparable pumps are far more expensive for the same quality and output.

As one of the earliest water pump manufacturers engaged in producing water pump for over 25 years in china, we believe one day difful pump will exist in every corner of the world by means ...

The SWP-4000 4" and SWP-6000 6" positive-displacement submersible deep well diaphragm pumps are constructed with high-grade materials that are all potable water safe.

Aquatec SWP-4000 Pump is a submersible solar pump that can deliver up to 1.7 GPM @ 30 VDC. Comparable pumps are far more expensive for the ...
