Since our founding in 1946, SRI has invented and made meaningful contributions to innovations that touch every one of our lives, every day. Explore how these technologies, services, and ...

New modular designs enable capacity expansion through simple container additions at just \$210/kWh for incremental capacity. These innovations have improved ROI significantly, with ...

Sri Lanka's energy landscape is like a cricket match where power outages are the unexpected rain delays. Enter Risheng Energy Storage Containers - the ultimate &quot;sixer hitter&quot; ...

Expert in shipping container conversions in Sri Lanka -- we design and build custom container offices, homes, and shops with premium quality and durability.

Founded in 1946 as the Stanford Research Institute and independent since 1970, SRI is a pioneer in creating and applying innovative solutions for governments, businesses, foundations, and ...

SRI formally separated from Stanford University in 1970 and became known as SRI International in 1977. SRI describes its mission as creating world-changing solutions to make people safer, ...

Entidad aut&#243;noma encargada de la administraci&#243;n y recaudaci&#243;n de los impuestos que se encuentran bajo su &#225;mbito de acci&#243;n.

Explore Sri Lanka's logistical advantages for solar manufacturing. Our guide covers Colombo and Hambantota ports, import-export processes, and costs.

For almost 80 years, SRI has collaborated across technical and scientific disciplines to discover and develop groundbreaking products and technologies, delivering ...

Container energy storage is an integrated energy storage solution that encapsulates high-capacity storage batteries into a container. This energy storage container not only contains storage ...

With Sri Lanka's electricity tariffs rising 28% since 2022, smart investors are turning to portable solar+battery systems to secure ROI in 3-5 years. Let's break down the numbers every project ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

Explore Sri Lanka's logistical advantages for solar manufacturing. Our guide covers Colombo and Hambantota ports, import ...

Learn how to set up a mobile solar container efficiently--from site selection and panel alignment to battery checks and EMS configuration. Avoid common mistakes and get real-world ...

Let us help you turn a shipping container into your next cafe, villa, office, or dream home. Contact us today and explore the art of container conversion -where function meets ...

SRI International (SRI; originally the Stanford Research Institute) is a nonprofit scientific research institute and organization headquartered in Menlo Park, California, United States.
