Close-up of BESS containers at an LS Electric project. Image: LS Electric. LS Electric will deploy a 20MW/90MWh battery storage system in Japan after it was awarded the contract through a ...

This project generated by Tiger Neo N-type TOPCon panels has incorporated into JinkoSolar's 72 units flagship liquid cooling battery energy storage system (BESS) of up to ...

A total of 12 projects totaling 180MW/595.3MWh was awarded 13 billion yen through Tokyo's FY2024 subsidy for promoting grid-scale battery storage, the metropolitan ...

Japan is betting \$1.5bn on a breakthrough in next-generation ultra-thin, light and bendy solar panels, subsidising the commercialisation ...

As one of the growth strategies in its Medium-Term Management Plan 2027, Tokyo Century has set forth the establishment of new power plants equipped with a BESS and the utilization of co ...

A 48 MW portfolio of ready to build solar sites in Japan was acquired by Peak Energy, with PPAs and BESS integration planned from 2026 to 2027.

A total of 12 projects totaling 180MW/595.3MWh was awarded 13 billion yen through Tokyo's FY2024 subsidy for promoting grid-scale ...

This project generated by Tiger Neo N-type TOPCon panels has incorporated into JinkoSolar's 72 units flagship liquid cooling battery ...

LS Electric will deploy a 20MW/90MWh battery energy storage system (BESS) in Japan after it was awarded the contract through a ...

Pacifico Energy commissioned its first unsubsidized grid-scale battery storage project in Japan, a 2MW/10MWh facility in Koganei City, Tokyo, on December 9, 2025. ...

LS Electric will deploy a 20MW/90MWh battery energy storage system (BESS) in Japan after it was awarded the contract through a competitive solicitation process.

Tokyo's new solar panel installation regulations are poised to significantly accelerate the adoption of solar energy across the metropolis. These measures may also draw ...

Tokyo's new solar panel installation regulations are poised to significantly accelerate the adoption of solar energy across the ...

Japan is betting \$1.5bn on a breakthrough in next-generation ultra-thin, light and bendy solar panels, subsidising the commercialisation of a technology that analysts say could ...

The energy storage arm of Chinese solar PV inverter manufacturer Sungrow signed a contract with Sun Village at a ceremony ...

The energy storage arm of Chinese solar PV inverter manufacturer Sungrow signed a contract with Sun Village at a ceremony in Japan's capital, Tokyo, last week during ...
